

If you have a conveyor or handling issue and are looking for the right supplier, you have come to the right place at VGI-Promatec. VGI-Promatec has a wide variety of conveyor solutions in its product range, such as straight conveyor belts, curved conveyor belts, S-conveyors and elevator conveyors. We can supply such conveyors with fabric, chain, or mesh conveyor belts. The options include HACCP designs, CIP cleaning, nosebars, active belt control and pullnose conveyors.
